Gilles J. Lavigne

Gilles Lavigne, DMD (U de Montreal, Canada), PhD (U of Toronto, Canada), and FRCD (Oral medicine, Georgetown U, USA), completed his postdoctoral training on the neurobiology of pain at NIH, Bethesda, USA. He received a Doctor *honoris causa* from the Faculty of Medicine and Dentistry, Zentrum für Zahnmedizin, University of Zurich, Switzerland. He is a Fellow of the American College of Dentists and Canadian Academy of Health Sciences. In 2018 he was appointed the title of member of the Order of Canada.

He holds a Canada Research Chair in Pain, Sleep & Trauma and has been Dean of the Faculty of Dental Medicine at the Université de Montréal, Canada (2008-2016). He was President of the Canadian Sleep Society and President of the Canadian Pain Society. He is co-founder and past Director of the three research networks for Oral Health, Pain and Placebo Mechanisms under the Fonds de la Recherche en Santé du Québec and the Canadian Institutes of Health Research (CIHR). He is currently the interim director of medical research in the CIUSSS Nord Ile de Montreal.

Gilles Lavigne is internationally recognized for his experimental and clinical research projects on sleep bruxism and the interactions between sleep, pain, and breathing disorders. He is also active in clinical teaching and services in these areas.
